

STERLING GTAKE  
E-MOBILITY

# QUALITY POLICY

**Sterling Gtake E-Mobility** is a dedicated manufacturer of Electronic Control Units, committed to becoming a leading supplier of electric vehicle components and solutions. Our approach is built on the following core principles:

- ✓ **Customer Centric Excellence** – We strive for customer satisfaction through speed, collaboration and seamless execution to achieve Quality, Cost and Delivery goals.
- ✓ **Best in Class Practices** – We uphold industry's leading standards in product safety, environmental responsibility, employee well-being and quality across our internal operations and supply chain.
- ✓ **Employee Engagement & Growth** – We foster a culture of learning and development, empowering our workforce to enhance efficiency & effectiveness.
- ✓ **First Time Right (FTR) & Every Time Right (ETR) Approach** – Our commitment to precision ensures that our products and services meet the highest standards from the outset.
- ✓ **Continual Improvement & Risk Mitigation** – We embrace innovation and global benchmark practices to drive continual progress while proactively managing risks.
- ✓ **Sustainable & Safe Work Environment** – We prioritize eco-friendly operations and workplace safety for a greener, healthier future.

At Sterling Gtake E-Mobility, we are shaping the future of electric mobility with quality, innovation and sustainability at the core of everything we do.
